## After School Enrichment Fall 2024

### Important notes:

- The Barrington ASE program is coordinated by Barrington PTO; however, all instructors manage their own classes. Parents will receive communication from the instructors with details on your child's class and any questions or absences from ASE classes need to be communicated directly to the instructor.
- While every effort is made to hold ASE courses on all scheduled dates, there are times where inclement weather or instructor illness may require class to be canceled. In these instances, you will be asked to pick up your child from Barrington at school dismissal. For this reason, ASE should not be relied on as a childcare option.
- ONLY credit cards will be accepted. Your card will be charged immediately.
- It will be possible to register each individual student for multiple classes at one time and with one total payment at the end of the transaction. Please note it will be necessary to repeat the process of any additional students.
- Upon registration, a confirmation email will be sent to you.
- Refunds will only be provided in the event a class does not meet the minimum number of students required to fill the class. Refunds will be provided by check. No refunds once registration has ended. Please allow up to 30 days for the transaction to be processed.
- Any necessary waivers/consent forms must be submitted before the first day of class.

Thank you for your continued support of the ASE program.
