Young Rembrandts Drawing Club	Young Rembrandts, a 35-year-strong worldwide Drawing Club, equips young artists with the skills they need for both academic and artistic success. Our award-winning, step-by-step methodology not only boosts creativity but also strengthens critical thinking and cognitive development. With no repeated lessons, students stay engaged year after year. This semester, artists will draw exciting pieces, like an adorable colored pencil sloth, to a pop art elephant, and yummy still life cake pops. Each week, families celebrate new artwork as a testament to their child's creative growth.	1, 2, 3, 4, 5	min 12/ max 20	\$145	60 minutes	4:00 PM	8	Monday	Oct 12 Oct 26 Nov 2 Nov 9 Nov 16 Nov 23 Nov 30 Dec 7
Artistic Exploration	Unleash creativity and expression through a variety of fun and engaging art forms. This hands-on class encourages imagination and artistic development while working with different mediums, including molding clay to create unique sculptures, painting ceramics, and decorating clay creations with vibrant glaze paints. Explore the world of painting on wood and canvas, experimenting with different styles and techniques. To add an extra splash of color, students learn the art of tie-dying shirts, creating their own wearable works of art. Throughout the course, children develop their artistic skills, gain confidence in their abilities, and have a blast bringing their ideas to life!	1, 2, 3, 4, 5	min 10/ max 24	\$220	60 minutes	4:00 PM	8	Tuesday	Oct 13 Oct 20 Oct 27 Nov 10 Nov 17 Nov 24 Dec 1 Dec 8

LEGO® BattleBots & Robot Missions	Build It. Code It. Battle It. Earn Your Stamps. The school bell rings—and the robot arena opens! Each week, your child builds and programs a LEGO® robot, then puts it to the test in exciting challenges, games, and battles. Using motors, sensors, wheels, gears, and kid-friendly coding tools, students turn their own ideas into robots that move, react, compete, and win. Every new coding skill unlocks something awesome their robot can DO—from smarter moves and cool new tricks to better BattleBot strategies. A new robot mission every week. Program a robot that feeds the pet or cleans the room, race through Maze Runs, compete in Musical Jousting, Robot Flag Football, and the Robotic Egg Run—and get ready for the main event: BattleBot, where every robot enters the arena and the last one standing wins. Your child doesn't just build robots. They engineer, strategize, compete, code, and walk out proud with awards to honor what they created. NEW: Robot Passport + Robot Ace Every student receives a Robot Passport (Badge Book), a keepsake record of the skills and challenges they master. Returning builders: This isn't last year's class. New builds. New coding challenges. New arenas. New missions—and new recognition for everything you conquer.	1, 2, 3, 4, 5	min 10/ max 29	\$220	90 minutes	4:30 PM	8	Tuesday	Oct 13 Oct 20 Oct 27 Nov 10 Nov 17 Nov 24 Dec 1 Dec 8

Creative Fashion Club	An After-School Experience by Columbus Fashion Academy. Each session brings a new creative challenge: sewing projects like pillows, aprons, and double-faced blankets; upcycling adventures like adding patches and mending holes; doll and puppet costume making; and so much more. No two sessions are the same. Columbus Fashion Academy instructors travel to your school, bringing all materials and instruction directly to students in a familiar, welcoming environment. Every student leaves with something they made with their own hands.	1, 2, 3, 4, 5	min 5/ max 15	\$385	60 minutes	4:00 PM	6	Friday	Oct 23 Nov 6 Nov 13 Nov 20 Dec 4 Dec 11
Ez Magic	Kids of all ages love magic, and they really love learning and performing it! Carroll Baker's classes are a great way for your child to have fun learning to become an amazing magician, performer, and presenter. Beyond the entertainment value, magic helps improve digital dexterity, coordination, visual perception, spatial relationships, critical thinking, creativity, public speaking skills, self-confidence, and imagination. This session will focus on magic for small hands with objects such as cards, ropes and other objects.	1, 2, 3, 4, 5	min 8/ max 24	\$100	55 minutes	3:55 PM	6	Friday	Oct 23 Nov 6 Nov 13 Nov 20 Dec 4 Dec 11
School of Rock Guitar Class	Guitar included! Each student receives a guitar to keep after being fitted. This fun, supportive group guitar class introduces students in grades 3–5 to the basics of acoustic guitar. Through games, simple songs, and step-by-step technique practice, students will learn proper posture, basic chords, strumming patterns, simple melodies, and how to read basic rhythmic notation. Emphasis is on collaboration, listening skills, and musical confidence in a positive classroom environment. By the end of the session, students will be able to play several simple songs, perform with classmates, and continue building toward independent practice and more advanced chords and melodies. Learning Goals: Develop correct posture, hand position, and basic finger placement; Learn open chords (e.g., C, G, D, Em, Am) and simple chord changes; Master basic strumming patterns and simple picking; Play age-appropriate songs as individuals and in small ensembles; Read simple rhythmic notation and chord diagrams; Build listening, timing, teamwork, and performance confidence	3, 4, 5	min 5/ max 10	\$420	60 minutes	4:00 PM	6	Friday	Oct 23 Nov 6 Nov 13 Nov 20 Dec 4 Dec 11
