Chess	Curious about chess? Already a fan of the great challenge and fun of the game? Join us for 12 weeks of chess basics, strategy and play. Coach, OSU grad, 3-time Ohio Speed chess champion and 8-time scholastic national champion, Candidate Master Kyle Jones will engage all skill and age levels in one of the world's most popular and exciting games	K-5th	6 min / 50 max	\$250	60 mins	Mondays 3:00-4:00pm	12
Eager Sewing	Our hand sewing class teaches thread and needle capability, & basic stitches. We then create 2 projects- a Sock Monkey and Cupcake Embroidery. You will need to purchase supplies on your own, listed below, and have them ready for our first class! While we try to get all our sewing done during class time, there may be weeks when homework will be necessary. Students are required to purchase their own supplies for this class prior to the first date. Required Supplies: For Sock Monkey: fabric for practice; 2 knee high socks; washable marker; needles, stuffing; 2 buttons for eyes; embroidery thread for mouth. For Cupcake Embroidery: 10" square piece of fabric (embroidery background) ; Practice 10" piece of fabric; tracing paper; various colors of embroidery thread/floss; 6-inch embroidery hoop ; embroidery or tapestry needle (sharp needle with a large eye) . Both projects: pins; pin cushion; scissors; pencil with eraser; plastic bag (to take home projects); ruler or measuring tape; tacky glue or white glue. Optional: fabric pencil, needle threader	4th-5th	5 min / 12 max	\$155	60 mins	Mondays 3:00-4:00pm	11
French (K-2)	Students in grades K-2! Are you ready to speak French? The French K-2 class is for early elementary-age students ready to begin their French language adventure! We focus on actively communicating with native pronunciation while learning everyday communication in reading and writing through student-to-student activities. Each session is NEW! We don't repeat our "Language In Action" curriculum for three years. Along with language learning, students will learn about the culture of a French-speaking country with an art project to take home! Every two weeks, we feature a new topic of conversation. Each week, students learn how to ask and answer questions through engaging age-appropriate conversation topics using fun games, songs, and skill-building activities. In addition to our classroom learning, all students will receive secure access to our online "Student Corner" resources. Our learning resources use fun games, theme worksheets and age-appropriate YouTube videos to reinforce weekly lessons. All classroom materials provided! So, let's all get together and have fun learning French!!	K-2nd	4min / 12max	\$215	60 mins	Mondays 3:00-4:00pm	12
LEGO Codey Rocky Robot Adventures with Robot Academy	Enroll your child in our dynamic afterschool program and ignite their passion for STEM through the thrilling world of coding and robotics! Specifically crafted for young minds, this enriching class introduces the fascinating Codey Rocky robot, designed to captivate with challenges like navigating mazes, engaging in BattleBot showdowns, Jousting, and strategizing in laser tag competitions, all while reinforcing the core principles of Science, Technology, Engineering, and Mathematics. Each session is a step towards mastering problem-solving, critical thinking, and teamwork, facilitated by our seasoned instructors through interactive, hands-on projects. This course promises not just to lay a robust foundation in coding and robotics but also to equip your child with essential future skills. Seize the chance to position your child at the forefront of the digital era—sign up now and witness their transformation into innovative creators and thinkers! Robot Academy is a Qualified Education Service Provider (QESP) with Ohio ACE	K-4th	min 12 / max 29	\$265	90 mins	Mondays 3:00-4:30pm	12

Fall 2024 - After School Enrichment (ASE)

Course Name	Description	Eligible Grades	Class Size	ASE Price	Duration	Days / Times	# of Weeks
Drama Kids	We do drama differently! Enjoy an exciting mix of theatre games, improvisation, scripted work and more in a safe and inclusive environment! Boost self expression, social skills, and creativity with us. Drama develops kids! Our final class will feature a fun skit by the actors!	1st-5th	10 min / 20 max	\$165	60 mins	Tuesdays 3:00-4:00pm	8
Eager Engineers	Join us this fall as we discover the basics of AI through a series of classes! Each week (without electronic devices) we perform hands on building that focuses on AI basics. Up front: basic color, pattern, and data representation builds via Lego Tic Tac Toe and Citibloc Triangle Hi-Rise. Next is the introduction of algorithms through Lego Mazes and K'nex Elevators. We will also explore machine basics, iterations, and testing with a K'nex Robotic Arm and Rolling Robot. Each week "builds" upon the next to foster a better understanding of how AI works- behind the scenes! Fall 2024 projects: Lego Mazes, Tic Tac Toe Team Build, and Robotic Control; K'nex Elevator, Robotic Arm, and Rolling Robot; Bloc Skyscraper, Triangle, and more. New projects every week- no repeats!	1st-5th	6min / 20max	\$200	60 mins	Tuesdays 3:00-4:00pm	11
Fleet Feet	The focus of the running club is to introduce participants to different types of running/training (e.g. road running, trail running, track workouts and circuit training), as well as fun games. The program of the club will include plans for 60 minutes of physical activity (running drills, dynamic warm ups, running, games, and post workout stretching) to be implemented each week. Runners will learn about and experience hands on activities relating to different areas of running and a healthy lifestyle.	K-5th	10 min / 25 max	\$40	60 mins	Wednesdays 3:00-4:00pm	8
Spanish (K-2)	This Course is designed for elementary students to learn Spanish through songs, games, TPR (total physical response), stories and simple crafts. Every 4 weeks, we have a Thematic Unit with vocabulary related to it. For example, "Back to School": escuela (school) maestra (teacher) estudiantes (students), lapiz, (pencil) mochila (backpack), creyones(crayons). Also, every class begins with Greetings, Feelings, Calendar, and Weather. In addition to that, over the course we will cover vocabulary about Colors, Numbers and discuss aspects about the Hispanic culture: food, countries, customs.	K-2nd	8 min / 15 max	\$200	60 mins	Tuesdays 3:00-4:00pm	8
Young Rembrandts Drawing Club Classes	It's time to take your child's artistic talent to the next level. Young Rembrandts world-wide, academic and award-winning art enrichment is a child and parent favorite! See your child's drawing abilities flourish as each week children learn a new lesson and no curriculums are ever repeated!	2nd-5th	6 min / 20 max	\$210	60 mins	Tuesdays 3:00-4:00pm	12
Ryze Basketball - OFFSITE	Come join some of Columbus's top basketball coaches, Connor Casey and Thomas Nolan for RYZE Athletics after school basketball program! This program will focus on high-level skill development in all facets of the game. This will include ball handling, shooting mechanics, scoring strategies and competitive play. Note: This course takes place offsite at Ryze Athletics, 2350 WOOD AVENUE Columbus, Oh 43221 and parents/caregivers need to provide their own transportation.	K-2nd	5 min / 20 max	\$165	60 mins	OFFSITE Tuesdays 3:30-4:30pm	10

Creative Writing & Drawing Fun	Join Andra Gillum (author of the Doggy Drama book series) for a clever and creative writing workshop! Each week, we'll read a different story, and do a fun writing and drawing activity. We'll even play some fun word games. Each student will receive a free Doggy Drama book of their choice at the end of classes!	1st-5th	6 min / 20 max	\$135	60 mins	Thursdays 3:00-4:00pm	6
Nature Skills	Come join Mr. James for a new style of nature connection. Your kiddo will play silly games, discover Ohio's natural treasures and learn lifelong skills to benefit from for years to come! A partner naturalist to Jared the Nature Guy, James will bring Jared's games, techniques (and his own flare) to Barrington. This Fall, the focus will be our senses! Learn how to look close like an owl, listen like a deer and more... when you know how to look, the whole outdoors becomes an adventure!	K-2nd	10 min / 25 max	\$180	60 mins	Thursdays 3:00-4:00pm	8
Fashion Runway Production	Welcome to the Fashion Runway Production program at Columbus Fashion Academy, where imagination meets intention! Tailored for our young creatives, this program is a delightful blend of fun and foundational learning. Your child will embark on a journey of discovery, transforming pre-loved clothes into fresh masterpieces through upcycling. As they dive deep into the vibrant world of fashion, they'll embrace our core values: staying forever curious, celebrating everyone's unique flair, championing sustainability, and expressing artistic freedom. And the best part? They'll get to 'wear what they love every day' as they proudly showcase their creations on the runway. It's a magical blend of fun, fashion, and values, all crafted with young creatives in mind!	1st-5th	10 min / 20 max	\$215	90 mins	Thursdays 3:00-4:30pm	6
SoundLab: Electronic Music STEM Workshop	Blending technology and creativity, Sound lab introduces students to the world of video game music creation! Using analog synthesizers and interactive gadgets, we'll embark on a hands on, project based adventure to create unique soundtracks and imaginative sound effects for video games. Tailored for both beginners and advancing students, this program empowers young learners to develop lifelong musical and technological skills. At the end of the course, students will even have the opportunity to submit their final tracks for release on Spotify and Apple Music.	1st-5th	6 min / 20 max	\$240	90 mins	Thursdays 3:00-4:30pm	11
