Fast Rabbits Run Club	The purpose of the club is to introduce participants to running and a healthy lifestyle through 60 mins of physical activity (running drills, warmups, running, games and stretching, etc.) to be implemented each week. Runners will learn about and experience hands-on activities relating to different areas of running and a healthier lifestyle. The culmination of the program will be a 1 mile timed run where runners see how strong they've become.	K-5	5 min / 20 max	\$45	60 mins	3:00-4:00p	6	Monday	Sept 15, Sept 22, Sept 29, Oct 6, Oct 13, Oct 27
Young Rembrandts Early Learner Drawing Club	Young Rembrandts is a globally recognized, award winning drawing program with over 35 years of experience. Our mission is to help young artists build a strong foundation in essential drawing skills through engaging, step by step instruction. Please note that this is not a "free draw" class; each week, students are taught a new lesson with no repeat lessons in 6 years so no child is exposed to the same lesson twice. Many of our young artists become lifelong learners as they develop their skills and confidence in the art of drawing.	K-1	7 min / 15 max	\$210	60 mins	3:00-4:00p	12	Monday	Sept 15, Sept 22, Sept 29, Oct 6, Oct 13, Oct 27, Nov 3, Nov 10, Nov 17, Nov 24, Dec 1, Dec 8
Claymation	Tap into the incredible art of stop motion film production and learn the technique from the ground up. Claymation contains everything students need to create their own individual movies, including top-quality clay, fun to use software, adorable cameras, and curriculum that turns anyone into a filmmaker. Through cumulative projects, teamwork, technological literacy and a little bit of movie-making magic, students are sure to win awards at the film festival held on the last day of class	3-5	8 min / 20 max	\$320	60 mins	3:00-4:00p	12	Tuesday	Sept 16, Sept 23, Sept 30, Oct 7, Oct 14, Oct 21, Oct 28, Nov 11, Nov 18, Nov 25, Dec 2, Dec 9

Drama Kids	It's show time! We will dive right into rehearsals for a short play performed on the final class date. Along the way we will mix in fun theater games and improv activities. Boost self expression, social skills and creativity with us. Drama Develops Kids!	1-5	10 min / 20 max	\$250	60 mins	3:00-4:00p	12	Tuesday	Sept 16, Sept 23, Sept 30, Oct 7, Oct 14, Oct 21, Oct 28, Nov 11, Nov 18, Nov 25, Dec 2, Dec 9
Eager Engineers	Eager Engineers: Space Exploration Launch your child's imagination into orbit! Our dynamic engineering classes combine hands-on creativity with real-world learning; all aligned with Common Core and Next Generation Science Standards. Each week, young engineers explore the engineering design process through exciting, space-themed challenges using LEGOs, Citiblocs, K'nex, and a creative take-home project. Fall 2025 Missions Include: • Build a K'nex Alien and Orbiting Chair Ride • Complete the Lego Lunar Ramp Challenge & Design Your Own Space Habitat • Engineer Citibloc Bridges and daring Unbalanced Towers • Create a take-home Out-of-This-World Balancing Collage New projects every week. Big ideas. Even bigger fun.	1-5	6 min / 20 max	\$225	60 mins	3:00-4:00p	12	Tuesday	Sept 16, Sept 23, Sept 30, Oct 7, Oct 14, Oct 21, Oct 28, Nov 11, Nov 18, Nov 25, Dec 2, Dec 9
Yoga Adventures	Join The Balanced Child Method for Afterschool Yoga Adventures, the perfect program for curious, creative kids who love to move, laugh and learn new ways to feel strong and calm. Each week, students set off on a new yoga journey while building strength, focus and confidence. Through playful movement, imaginative storytelling, creative games and calming mindfulness activities or crafts, children explore both the outer world and their inner selves. This isn't just yoga- it's an empowering adventure where kids get to connect, recharge and discover the amazing things their bodies and minds can do. No experience needed- just a positive attitude and a readiness to explore, move and have fun!	K-5	8 min / 15 max	\$240	60 mins	3:00-4:00p	11	Wednesday	Sept 24, Oct 1, Oct 8, Oct 15, Oct 22, Oct 29, Nov 5, Nov 12, Nov 19, Dec 3, Dec 10

Artists Playground with CheckART Art Studio	Join Alexis, owner of CheckART, in the Artists Playground, where we will explore a variety of art techniques and materials. Students will make their own stamps to use for printmaking on both fabric and paper. We'll learn about functional art as we created wood sculptures and catapults, and even make our own series of artist trading cards. They'll also learn how to use metal stamps to imprint on leather and metal items. This class will be a balance of guided activities while leaving room for students to explore various art materials that pique their interest.	2-5	6 min / 12 max	\$300	75 mins	3:00-4:15p	11	Wednesday	Sept 24, Oct 1, Oct 8, Oct 15, Oct 22, Oct 29, Nov 5, Nov 12, Nov 19, Dec 3, Dec 10
Robot Academy SmartRover Lego Robot	Embark on an after school LEGO robotics adventure. Build a SmartRover LEGO robot, then bring it to life with beginner-friendly scratch coding. Test your creation in robot battles, mazes, obstacle courses, and even head to head robot laser tag. Want the fun to continue at home? Purchase your robot on the final day or bring your own SmartRover to upgrade with an exciting expansion set.	K-5	10 min / 20 max	\$150	90 mins	3:00-4:30p	6	Wednesday	Sept 24, Oct 1, Oct 8, Oct 15, Oct 22, Oct 29
School of Rock Rookies	School of Rock Rookies program is designed for children ages 5-7 with little or no previous musical experience. As with all our music programs, Rookies adheres to the patented school of rock method. Our Method's core philosophy is that performance-based music education is the best way for students to gain musical proficiency. Rookie students will have one weekly group music lesson where they learn music fundamentals like chords, rhythm and song structure. Kids get to learn and experiment with multiple instruments in a fun and supportive environment. Our programs are designed to inspire kids to learn to play music and get them on stage performing. Let's Rock!	K-2	5 min / 10 max	\$165	60 mins	3:00-4:00p	6	Wednesday	Sept 24, Oct 1, Oct 8, Oct 15, Oct 22, Oct 29

Young Rembrandts Drawing Club	Let's make this back-to-school season a masterpiece! Young Rembrandts, a 35-year-strong worldwide Drawing Club, equips young artists with the skills they need for artistic success. Our award-winning, step-by-step methodology not only boosts creativity but also strengthens critical thinking and cognitive development. Students are never exposed to the same lesson twice, which results in many becoming lifelong learners in our program! This semester, artists will draw exciting pieces like; a gumball machine masterpiece, a video game still-life, and so much more.	2-5	7 min / 20 max	\$195	60 mins	3:00-4:00p	11	Wednesday	Sept 24, Oct 1, Oct 8, Oct 15, Oct 22, Oct 29, Nov 5, Nov 12, Nov 19, Dec 3, Dec 10
Artistic Explorations - with Brush Crazy	This hands on class encourages imagination and artistic development as you work with different mediums, including molding clay, painting ceramics and decorating your clay creations with vibrant glaze paint. You will also explore the world of painting on wood and canvas. To add an extra splash of color, students learn the art of tie-dying shirts creating their own wearable works of art. Throughout the course, students develop artistic skills, gain confidence and have a blast bringing their ideas to life.	K-5	10 min / 24 max	\$165	60 mins	3:00-4:00p	6	Thursday	Sept 18, Sept 25, Oct 2, Oct 9, Oct 16, Oct 30
Challenge Island- Awe-some-sauce Island	Awe-some-sauce adjective: excellent or spectacular When we heard that AWESOMESAUCE was officially added to the dictionary we knew we had to officially add it to our island lineup. Every engineering challenge on this action packed island is inspired by something, well, awe-somesauce including Flaming Hot Factory, Le Bus de Paris and Ski Slalom Speedway	1-5	10 min / 20 max	\$130	60 mins	3:00-4:00p	6	Thursday	Sept 18, Sept 25, Oct 2, Oct 9, Oct 16, Oct 30

Fashion Runway	This 6-week "mini" fashion runway production is designed to deliver a taste of sustainable fashion right in your school's classroom. Each Thursday from 3-4:30pm students will bring one preloved garment and/or accessory of their choice (sweater, jeans, tennis shoes or jacket, etc.) and work hands on with basic sewing and embroidery kits, beads, fabric scraps for patches and other embellishments needed to bring their vision to life. At the conclusion of the half season program, participants are invited to join the full season fashion runway group to walk the runway in the official Columbus Fashion Academy Fall Fashion show held downtown.	K-5	5 min / 12 max	\$275	90 mins	3:00-4:30p	6	Thursday	Sept 18, Sept 25, Oct 2, Oct 9, Oct 16, Oct 30
Scratch Coding	Explore the magic of computer programming! Future coders learn computer programming with Scratch, a software developed by MIT's best brains that combines creativity with logic! With this cutting-edge application and a series of exciting projects, students discover the expanding world of coding. They develop skills to build their very own interactive storyboards and games with audio, video, and animated characters. Since Scratch is free to use, students can continue their educational journey after the course and develop more projects at home!	1-5	8 min / 20 max	\$275	60 mins	3:00-4:00p	11	Thursday	Sept 18, Sept 25, Oct 2, Oct 9, Oct 16, Oct 30, Nov 6, Nov 13, Nov 20, Dec 4, Dec 11
Spanish	Build global awareness and communication skills through Nexple Spanish! Nexple's interactive Spanish classes ignite curiosity and build enthusiasm for learning a new language and exploring Hispanic cultures. Through games, songs, and engaging activities, students develop essential Spanish language skills such as greetings, vocabulary, grammar, and pronunciation. Learning Spanish also helps students improve focus, strengthen memory, and boost creativity. Join Nexple Spanish for an exciting educational journey that will broaden students' horizons and introduce them to the richness and diversity of Spanish-speaking cultures.
