

BARRINGTON MEALS ON WHEELS

LOOKING FOR A SERVICE OPPORTUNITY FOR KIDS?

Hello Barrington Parents! Wanting to get your kids involved in community service, but not sure how? Did you know that Barrington delivers a Meals on Wheels route providing food to neighbors in Upper Arlington Monday-Friday year round? Here are a few things you may not know:

1.) Our involvement in this program was designed with the ability to pull students out during the lunch hour to serve the community. Due to COVID, kids were not able to participate temporarily, but we are happy to announce that they are welcome again!

2.) This service opportunity is not limited to families within the school, so if you know anyone who would be interested we would be glad to have them!

3.) There is no commitment; you can be as involved as your schedule allows consistently or sporadically and the planning is done via Sign-Up Genius.

4.) The process to get involved is very minimal and the deliveries shouldn't take more than about an hour of your time.

We hope this answers any questions you had about Meals on Wheels and encourages you to get involved! It would be great to add more people to our team and see more service from and in our wonderful community!
