Fashion Photography	<p>This creative hour helps kids tell stories with pictures. We'll cover the basics of photography—framing, angle, light, and timing—through playful, hands-on shoots using multiple camera styles each day. Students will also craft simple props, style looks (we'll curate fabulous coats and accessories for them to borrow on photoshoot days), practice confident posing, and direct mini scenes with friends. Guided by artistic freedom, each junior photographer curates a favorite image to print and frame—a fun take-home on the final day.</p> <p>Students are invited (optional) to serve as Jr. Fashion Photographers at the Spring Show on the CCAD runway on May 17th. Guest tickets will be sold separately.</p>	3, 4, 5	min 5/ max 8	\$220	60 minutes	4:00 PM	6	Thursday	Apr 2, Apr 9, Apr 16, Apr 23, Apr 30, May 7
Fashion Runway Production	<p>Barrington's art room transforms into a mini fashion house where kids dream, design, and deliver a real runway experience from start to finish. Students turn deadstock fabrics, scraps, and pre-loved garments into one-of-a-kind looks while practicing hand and machine sewing, appliqué, trims and embellishment, embroidery, textile painting, pleating, simple pattern making, and other core fashion design skills.</p> <p>Guided by artistic freedom and a creative, encouraging vibe, students learn how a full fashion show comes together: from concept and collection building to styling and show flow. It's fashion with heart—intention, teamwork, leadership, and the joy of watching an idea walk the runway, truly transforming waste into wonder.</p> <p style="text-align: center;">At the end of the course, students are invited</p>	K, 1, 2, 3, 4, 5	min 5/ max 10	\$330	90 minutes	4:30 PM	6	Thursday	Apr 2, Apr 9, Apr 16, Apr 23, Apr 30, May 7

Our Method's core philosophy is that performance-based music education is the best way for students to gain musical proficiency. Rookie students will have one weekly group music lesson where they learn music fundamentals like chords, rhythm and song structure. Kids get to learn and experiment with multiple instruments in a fun and supportive environment. Our programs are designed to inspire kids to learn to play music and get them on stage performing.
